

South Pointe

\$99,900

- Best Priced Lot in Town!
- Walk-out Basement Lot
- Partially Fenced
- Ready to Build

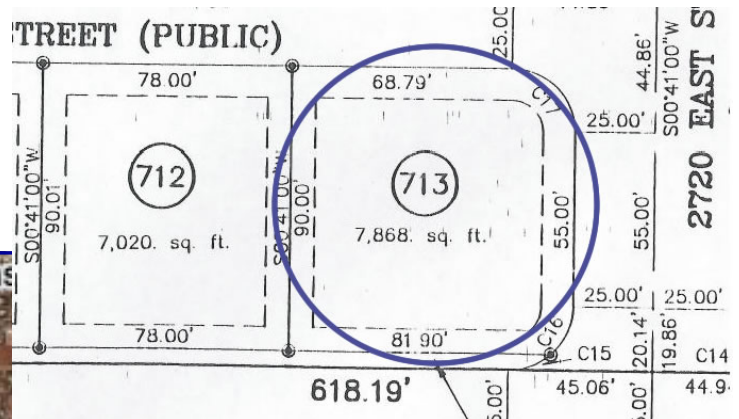

2708 East 370 North
St. George, Utah

See the web for more info:

www.kkcon.com

This approximately .19 acre walk-out basement lot is indeed a rare find. It's nearly impossible to find building lots in the centrally located Red Cliffs area. The lot is already improved and ready to build on immediately. Plans must be approved by the subdivision architectural committee. Home must be built and completed within two years of purchase.

Bring your own builder or have us build a home for you!
